YOUR WEDDING AT ALLEGRETTO VINEYARD RESORT

Inspired and Crafted with Joy...

Allegretto Vineyard Resort has five unique possibilities to accommodate exactly what you're looking for.

EVENT SITES

Piazza de Magica Courtyard

Transport your guests to the courtyard of a romantic Italian villa courtyard. As you descend the imperial staircase gaze upon those who have come to share your special day. Set your ceremony in front of our wall-side fireplace or fountain, whichever aligns with your personal style.

Veneto Ballroom

This grand venue boasts dramatic high ceilings and pendant bowl chandeliers, offering an ideal setting for those who prefer an indoor celebration. Whether you're planning to host a formal affair or your preference is for a more intimate, casual gathering with close family and friends, the Veneto Ballroom is a canvas so versatile, it can be embellished to suit every creative vision.

Olive Orchard

Take a stroll over from the beautiful Vineyard View Walk to find the lush floral landscape of Allegretto's Olive Orchard, a secluded outdoor ceremony and reception space that sets the stage for an infinitely romantic wedding. Each of the four distinct quadrants in the picturesque Olive Orchard offer a unique combination of rustic and elegance, exclusively designed for those looking to host their event in the open air, Tuscan-style.

Abbey de Lerins

If you're looking for a unique setting to host an intimate ceremony or reception, our French inspired, non-denominational chapel is a beautifully dramatic backdrop. With vaulted ceilings, stained glass windows and age-old, hand-carved doors, the Abbey is sensual and spirited, offering a little touch of magic to every occasion.

Vineyard View Walk

Nestled beneath the vineyards and adjacent to Allegretto's Romeo and Juliet Tunnel lies the charming Vineyard View Walk – a favorite location for a champagne celebration immediately following the wedding ceremony and before guests make their way to the reception. The natural beauty that surrounds this space is warm, inviting, and will delight your wedding guests while they relax and socialize before dinner.

**Capacities are different at each site and vary depending on the nature of the event being held.
Time restrictions may apply. For full details view our Wedding Guidelines and contact your Wedding Sales Manager.*
