AYRES HOTELS

ELEVATE YOUR STAY

Authentic and unique hotels in premier locations across California.

The integrity and innovation that began with the development of the Los Angeles area by Frank Ayres and his son, Don Ayres Sr. in the early 1900's remains with the Ayres Hotels today, setting them apart from other hotel chains. Today, the next generation of Ayres has expanded the collection to more than 23 hotels throughout California.

1905

Company founder Frank H. Ayres

Melrose Station, Early 1900s

The story begins

Frank H. Ayres came to California from Ohio with his wife and young son Donald to explore land development opportunities.

1920

A father & son team

Frank Ayres formed *Frank H. Ayres & Son* with Don Ayres Sr.. The foresight of this father and son team would, in a matter of years, become the foundation of entire communities in the Santa Monica and Westchester areas of Los Angeles County.

1950

Don Ayres Sr. and L.A. City Council

Newport Shores:
Don Ayres Jr.'s first housing tract

It started with homes

In 1957, Don Ayres, Jr. joined the firm. In the coming decade, the Ayres brand would become a recognized name, creating distinctive homes in well-planned areas stretching from the San Fernando Valley to San Diego.

1984

The original Ayres Corona East

The first hotel opens

Don Jr. developed the concept of a European boutique hotel after a trip to Europe with his daughter in the early 80s. Ayres has continually adapted to the ever-changing needs of the marketplace without losing sight of the importance of friendly service and value in the Ayres brand of hotels.

“ Booking with Ayres Hotel Orange is so simple. Jhoanna and Kareen in the sales office know exactly what I and my client need for their training meetings, so it's a breeze to book with them. I wish ALL my meetings were this easy!!”

Cindy, HelmsBriscoe

Allegretto Vineyard Resort by Ayres

“ Our stay at Allegretto was truly exquisite. Every aspect of the property was methodically thought out and the guest noticed! The food and beverages provided were nothing short of top notch, and the service was first class. I can't thank you enough for working with us on such a short time-table and even slimmer budget. Allegretto and its staff made us feel right at home while we were away doing work. I look forward to coming back not only with Apple but with my friends and family! I have highly recommended Allegretto to some of the other admins within our company and hope that they choose you for their next off-site!”

Austin, Apple Inc.

Ayres Hotel Laguna Woods

“ Brandman University's Academic Advising department has a long and wonderful relationship with Lynn Dencker and the rest of the sales office staff at the Ayres Hotel Laguna Woods. Lynn is always incredibly professional and exemplifies what it means to serve clients with the utmost care and concern. I have always appreciated her problem-solving approach and willingness to offer recommendations to make our annual event at the Ayres a positive experience. I also want to commend the rest of the hotel staff and especially those in the dining room who always go out of their way to make our team of 55 visitors feel comfortable and welcome during our three-day event.”

Don, Brandman University

Ayres Hotel Manhattan Beach

“ We wish that there were more hotels and overall suppliers who were so accommodating, professional and willing to help. It is very rare to receive the same type of treatment and service that we received from both of you as well as from your front desk staff. On top of this great service, you also have a beautiful hotel. So many of our clients commented that being at the Ayres was like being in a palace or a castle and some would love to come back one day.”
